

# CHICHESTER COLLEGE CHICHESTER, WEST SUSSEX

## THE AREA

*Chichester is one of the loveliest places in the UK. Full of history and natural beauty. Amazing architecture, Roman baths, one of the most beautiful beaches in England and surrounding countryside that shows off the very best of England. The city is surrounded by historic walls and yet contains excellent modern shops and entertainment. A great place to explore by day or night and the Cathedral is one of the best in the country. A popular destination for visitors from around the UK and the world it has a number of festivals annually and there's always something to see or do making it ideal for international high students wanting to experience the UK.*

## THE COLLEGE

*With a campus set in the heart of the city, featuring stunning views of the cathedral, Chichester College is an outstanding place to study. One of the largest colleges in England with an exceptional record for getting the very best out of students. They are well known for their dedication to improving the learning opportunities, experience and environment for students across the region. There are specialised teaching facilities, lots of places to eat and quiet spots for independent study. Chichester College has a very active Student Union providing exciting extra-curricular activities.*
