

EAST SUSSEX COLLEGE HASTINGS, EAST SUSSEX

THE AREA

Hastings is a beautiful seaside town that holds huge historic importance to the UK as the site of a famous battle in 1066, the last time Britain was successfully invaded! Nowadays it is a well-known town popular for its stunning architecture, lovely seaside and huge collection of local shops and restaurants. The 'old town', with its many cottages and winding roads is enormously popular with visitors and it has several museums and an aquarium to keep people entertained. With great transport links to London and other areas it is a perfect location for international high school students wanting to have the very best experience in the UK.

THE COLLEGE

The largest college in Sussex, East Sussex College offers a diverse range of exceptional courses for young adults alongside exceptional teaching aimed to help students take the first steps towards where they want to be. They consistently produce outstanding academic results; in 2019, in A Levels they achieved a 97.3% pass rate. Many of their students have progressed to Oxford, Cambridge, LSE, Durham and to many other top universities and conservatoires, including those outside the UK such as Harvard University and the University of Hong Kong. A superb choice for international high school students who want to achieve their full potential.
