THE AREA

With its stunning seaside location, unique shopping, famous nightlife and close proximity to London, Brighton has long been one of Britain's most popular places to live and study. Brighton is exciting, multicultural and vibrant. A city that is both large enough to contain everything that you could want; shopping, restaurants, and an entertainment scene that attracts tourists from across the UK, but still small enough to feel like a real, friendly community. Alongside popular tourist attractions like the Royal Pavilion, Brighton Pier and the Lanes shopping area, culture is a big part of Brighton.

THE COLLEGE

Greater Brighton Metropolitan College (MET) has over 150 years of heritage, history and experience at developing students to reach their full potential. The MET helps to build the self-belief, confidence and bravery that students need to meet and exceed their ambitions. They offer superb, modern facilities and outstanding student services. More than 1,000 expert staff work with students to equip them with the knowledge and skills they need to prepare them for the world of work. A great choice for international high school students who want to live and learn in the UK.
