### THE AREA

Oxford is an international centre of learning, and as such it draws people from all over the world to study and live in the city. One of the most famous university cities in the whole world, Oxford is a beautiful and historic city, international in its influence and in its people. Situated in the south of England, only an hour's train ride from London, it is surrounded by lush, picturesque British countryside. Oxford is safe and well-developed city filled with ancient streets and modern services, offering students a chance to explore and interact with British culture at its finest.

### THE COLLEGE

Activate Learning is a forward-thinking college that aims for far-reaching, progressive change and impact through learning. They work with students as individuals, helping them make the choice of study pathways and courses to make sure it is that's right for them and their ambitions. The Oxford city centre campus benefits from a central Oxford location, close to transport links, amenities and the historic city centre. The unique riverside location allows for a wonderful and safe environment to study in, with a variety of excellent facilities available for every learner. A great choice for international high school students who want to live and learn in Oxford.
